ClearShield™

Anti-Microbial Glass™

1981-2011

The ClearShield System upgrades any ordinary glass, new or old, into **ClearShield Anti-Microbial Glass™** with durable, 'non-stick', easy-clean surface protection.

**ClearShield Anti-Microbial Glass™** is designed for interior surfaces where cleanliness and hygiene are paramount. It also meets direct food contact test requirements of the EU and the USA Food & Drug Administration (FDA).
